

EXTREME CARGO TRAY SERIES

A Safe Fleet Brand

SAVE YOUR BACK

ROM cargo trays reduce back strain by rolling heavy, bulky items outside the compartment *where they can be reached without straining.*

Easily carry up to 1,000 lbs., while extending the tray 70%, 100%, or 120% *outside the compartment.*

Save your back.

Your safety. Our concern.

STRENGTH

Made from heavy duty
6061-T6 aluminum

LOW MAINTENANCE

Simply, wipe the track clean
and from time-to-time add
grease for smooth, non-
binding performance

CORROSION RESISTANT

Aluminum material with
zinc plated hardware

OPTIONS

Multiple options and lengths -
